

# LED POOL & SPA REPLACEMENT LAMPS

Super Vision's IGS54 and IGP231 replacement lights for in-grounds pools and spas fit most industry housings. The AGS12 and AGS24 fit most industry standard portable spa bi-post sockets.

All LED replacement lamps have an 11 year lamp life, 1 year warranty, are energy efficient, have no moving parts and 5 color modes:

1. White light
2. Color Mixing - a beautiful and gentle color transition through the color spectrum.
3. Color Lock - you set the light on your favorite color.
4. Blue-Green Fade - a natural mixing of blues and green.
5. Party Mode - an exciting rapid change of color to enliven your party or celebration.
