

# Showcase Style 20/20

extruded aluminum light rails with LED lamps

## Description

- The Showcase Lighting Style 20/20 profile is combined with the 3W LED lamp and electronic driver. Electronic driver provides constant current to ensure uniform light output
- CSA® certified, UL® listed

## Housing & Available Finishes

- Extruded aluminum light rails are custom cut to the specified length
- Available in a range of premium stock finishes to suit any application
- Custom finishes available by request
- Proprietary specular reflector designed to evenly distribute the LED source

## Mounting Options

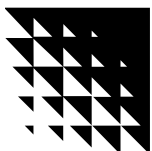

- The Style 20/20 3w profile must be mounted with 1/4" clearance
- End mounting bracket is included
- Type F (downtube) or Type H (flexible conduit) wiring option (see page 22 for more details)

## Lamp & Driver

- LED lamps included (heat and UV free light beam)
- Each LED lamp has a CRI of up to 90 and a lumen output of 65 (1w LED has a lumen output of 25)
- Available in 33\* and 55 Correlated Colour Temperature (CCT) (\*available only with the 1w LED)
- LED lamp rated at 100,000 hours average life (70% lumen at 50,000hrs)
- Electronic LED driver provides constant current to ensure uniform light output
- Includes #1 or #7 ballast box (see page 21)
